

TEGA CHILDCARE UPDATE

TEGA Kids will remain open the week of April 6th for Palaestra and Mother's Day Out

We feel a great responsibility to keep our childcare programs open, especially to serve those in our community that must report to work. We know that working families need a safe place for their kids to spend their day, and TEGA will follow the directives of Governor Abbot and heed the recommendations for childcare by the CDC and Texas Health and Human Services Commission.

- All programs licensed by TXDFPS
- For ages 3-5
- Drop 7:30-9:30am and Pick-up as late as 6:00pm
- Access to full TEGA facilities
- Enrollment open to all, but limited

Please reference the TEGA website for further instructions!
