Helpful Reminders

1. For preschool-aged children, classes are selected based on age. Here is a listing of the age groups:
 - 2 year olds
 - 3 year olds
 - 4 year olds (children that will be 4 on or before September 1, 2019, and will not be attending Kindergarten in Fall 2019)
2. For school-aged children, classes are selected based on the grade level that students will be **entering** in Fall 2019. For example, students that will be entering Kindergarten in Fall 2019 will enroll into the “Kindergarten” class.
3. If you have any problems or questions regarding the registration process or your child’s enrollment, please feel free to call our office at 806-866-9765.
4. The charge for your registration fee will be processed within 5 days of submitting your initial registration, and you will receive a confirmation email at that time. You will only be charged a registration fee when you enroll your child into a class. You will not be charged a registration fee if you simply create (or update) a parent account with us. **The registration fee for 2019 KDO is \$55 per child.** The registration fee is non-refundable and non-transferable.
5. Tuition will be posted to your account based upon the days that you enroll for. Please note that sibling discounts will not automatically show on your account. We review all registrations as they are submitted and will add any applicable discounts at that time.

We will email weekly statements on Thursday before the draft date showing the charges that are due for the following week. TEGA will draft payment for the following week’s tuition each Monday at noon. **You may amend or adjust your child’s enrollment until May 17, 2019.
